Diary Dates 2026-2027

Unlocking our Potential

Please find below an outline of key events for the academic year 2026-2027 and the week in which they are planned. It is difficult to plan all events at this time of the year and we appreciate your understanding with this. There will be further events added and information will be shared on Class Dojo.

Specific details of events will follow closer to the date set and may be subject to change due to staff training or other external events that pupils take part in (eg. sporting events).
